

Greetings!

Thank you for your interest in “Not Anytime Soon – The life and Times of Linda Chamberlain.

There are several ways to receive the book!

1. The best way will be to attend our book launch on June 11. It will be held in Toronto from 4:00 p.m. to 6:00 p.m. and Linda and her friends will all be there. It is the best way to receive a signed copy. We will be establishing the venue soon (by June 1) and it will be available by checking my website:
<http://openpolicyontario.com/pictures/> or at
<http://ontario.cmha.ca/news/not-anytime-soon-the-life-times-of-linda-chamberlain/#.UZ4cVrUqjzY>
2. If you wish a signed copy to schedule a personal visit with Linda in downtown Toronto, please write back to me with your phone number and I will arrange Linda to give you a telephone call. We are experimenting with this approach and will continue it unless demand becomes too heavy.
3. We can make other arrangements for me to deliver copies to you. There are many ambassadors with copies all over downtown. Write to me at jsbb@rogers.com to find out where.
4. If you are from out of town, you may wish to download the virtual edition from my website at: <http://openpolicyontario.com/pictures/>. It's a nice pdf edition that can be imported into any computer and into iBooks on any iPad. This is an especially good option for a person with visual difficulties as the pdf is ultra-high quality, is fully scalable, and will not pixilate.
5. Good Friend Catherine Porter of the Star has written about Linda here along with two videos: http://www.thestar.com/news/gta/2013/05/22/linda_chamberlains_story_of_torontos_mean_streets_is_inspiring_healing.html

Notes:

Postal or courier options are available but they cost almost as much as the book itself. If you wish to incur these costs, we suggest you incur them for multiple copies. Subsidies are available!

We are always looking for ‘ambassadors’ who will buy a number of books and pass them on to their friends at cost. Ambassadors now are hosting mini-events.

Publishers have told us that Linda’s book would normally retail at about \$25.00 and if we are lucky enough to secure a publisher, the book will at the very least, double in price. We are keeping costs low by initially distributing in this way.
